

Java: Add to the exception site

Open the Java control panel
In the folder of Java8,7 program `\bin\javacpl.exe`

Click the Security tab
---right side window

Check "Edit Site List..."
and add
<http://153.121.91.149>
in the Exception Site List

※ Where is the Java Control Panel on Windows?

https://www.java.com/en/download/help/win_controlpanel.xml
